9.3 By participating in the Crowdfunding, making payments, or receiving and holding BnrCoin Tokens you represent and warrant that you are not a US resident or citizen.

9.4 Due to the Ico.baner.su products being offered on the Internet (meaning both the world wide web and the Waves blockchain) Ico.baner.su understands that there is a possibility that there might be a certain "flow back" of Ico.baner.su products into the USA or to the citizens of the USA. Ico.baner.su consequently explicitly prohibits persons from paragraph 9.1 from using Ico.baner.su products and website. Ico.baner.su shall not be held liable for any legal or monetary consequence arising of such use. One such exemption allows the resale of Tokens purchased for their own account and for investment purposes only by investors who (i) are not otherwise affiliated with the Davinzia Business Corp., (ii) have been exposed for some time to the economic risks that ownership of Tokens entails, and (iii) are not part of the distribution of the Tokens.

10.3 All communications and notices to be made or given pursuant to this Agreement must be in the English language.

11. Risks

11.1 You understand that BnrCoin token, blockchain technology, the Waves protocol, Waves and other associated and related technologies are new and untested and outside of Ico.baner.su control and adverse changes in market forces or the technology, broadly construed, may affect Bnrcoin's performance under this agreement.

11.2 In addition to the above, you also acknowledge that you have been warned of the following risks, associated with the website and products offered thereto and in particular with BnrCoin token.

(a) Legal risks regarding securities regulations

There is a risk that in some jurisdictions BnrCoin might be considered to be a security, or that it might be considered to be a security in the future. Ico.baner.su has avoided making BnrCoin tokens available to natural and legal persons from such jurisdictions, however Ico.baner.su does not give warranties or guarantees that BnrCoin token is not a security also in all jurisdictions, where it was made available. Each user of BnrCoin tokens shall bear its own legal or financial consequences of BnrCoin being considered a security in their respective jurisdiction.

Acquiring cryptographic tokens in possession and exchanging them for other cryptographic tokens will most likely continue to be scrutinized by various regulatory bodies around the world, which has so far given mixed reactions and regulatory impact. The legal ability of Ico.baner.su to provide BnrCoin tokens could in some jurisdictions be eliminated by future regulation or legal actions. In the event, it turns out with a high degree certainty that BnrCoin tokens are not legal in certain jurisdiction, Ico.baner.su will either a) cease operations in that jurisdiction, or b) adjust BnrCoin tokens in a way to comply with the regulation should that be possible and viable.

The Tokens have not been and will not be registered under the United States Securities Act of 1933, as amended (the "Securities Act"), and may not be offered or sold in the United States or to or for the benefit of US persons (as defined in Regulation S under the Securities Act) unless they are so registered, or an exemption from the registration requirements of the Securities Act is available. One such exemption allows the resale of Tokens purchased for their own account and for investment purposes only by investors who (i) are not otherwise affiliated with the Davinzia Business Corp., (ii) have been exposed for some time to the economic risks that ownership of Tokens entails, and (iii) are not part of the distribution of the Tokens.

(b) Risks associated with the Waves protocol

BnrCoin token is based upon the Waves protocol. As such, any malfunction, unintended function or unexpected functioning of the Waves protocol may cause the BnrCoin token to malfunction or function in an unexpected or unintended manner. Waves, the native unit of account of the Waves Protocol may itself lose value in ways similar to BnrCoin token, and also other ways. More information about the Waves protocol is available at <http://www.wavesplatform.com>

(c) Risks associated with users' credentials

Any third party that gains access to the user's login credentials for the website or private keys may be able to dispose of the user's BnrCoin tokens. To minimize this risk, the purchaser should guard against unauthorized access to their electronic devices.

(d) Risk of unfavorable regulatory action in one or more jurisdictions

Blockchain technologies have been the subject of scrutiny by various regulatory bodies around the world. The functioning of the Waves network and associated blockchain networks and BnrCoin could be impacted by one or more regulatory inquiries or actions, including but not limited to restrictions on the use or possession of digital tokens like BnrCoin, which could impede or limit their existence, permissibility of their use and possession, and their value.

(e) Risk of theft and hacking

Hackers or other groups or organizations may attempt to interfere with your token wallet, the website or the availability of BnrCoin tokens in any number of ways, including without limitation denial of service attacks, Sybil attacks, spoofing, smurfing, malware attacks, or consensus-based attacks.

(f) Risk of security weaknesses in the BnrCoin source code or any associated software and/or infrastructure

There is a risk that the BnrCoin, or other third parties may unintentionally introduce weaknesses or bugs into the BnrCoin source code interfering with the use of or causing the loss of BnrCoin tokens.

(g) Risk of weaknesses or exploitable breakthroughs in the field of cryptography

Advances in cryptography, or technical advances such as the development of quantum computers, could present risks to cryptocurrencies and the Waves platform and BnrCoin, which could result in the theft or loss of tokens.

The Tokens have not been and will not be registered under the United States Securities Act of 1933, as amended (the "Securities Act"), and may not be offered or sold in the United States or to or for the benefit of US persons (as defined in Regulation S under the Securities Act) unless they are so registered, or an exemption from the registration requirements of the Securities Act is available. One such exemption allows the resale of Tokens purchased for their own account and for investment purposes only by investors who (i) are not otherwise affiliated with the Davinzia Business Corp., (ii) have been exposed for some time to the economic risks that ownership of Tokens entails, and (iii) are not part of the distribution of the Tokens.

(h) Risk of low or no liquidity

Even though there are currently online services available, which enable the possibility of exchange of cryptographic tokens between themselves, and also, some of them enable exchange of cryptographic tokens for fiat money, there are no warranties and/or guarantees given that BnrCoin tokens will be subject to exchange for other cryptographic tokens and/or fiat money, and no guarantees are given whatsoever with the capacity (volume) of such potential exchange. It shall be explicitly cautioned, that such exchange, if any, might be subject to poorly-understood regulatory oversight, and Ico.baner.su does not give any warranties in regard to any exchange services providers. Users might be exposed to fraud and failure

(i) Risk of uninsured losses

Unlike bank accounts or accounts at some other financial institutions, funds held using BnrCoin or Waves network are entirely uninsured.

(j) Risk of malfunction in the Waves network or any other blockchain

It is possible that the Waves network or any other network, to which BnrCoin is interacting with, malfunctions in an unfavorable way, including but not limited to one that results in the loss of BnrCoin.

(k) Unanticipated risks

Cryptocurrencies and blockchains are new and untested technology. In addition to the risks set forth here, there are risks that Ico.baner.su cannot foresee and it is unreasonable to believe that such risks could have been foreseeable. Risks may further materialize as unanticipated.

11.3 BnrCoin tokens are provided “as is”. We and our affiliates and licensors make no representations or warranties of any kind, whether express, implied, statutory or otherwise regarding the BnrCoin tokens, including any warranty that the BnrCoin tokens will be uninterrupted, error free or free of harmful components, secure or not otherwise lost or damaged. Except to the extent prohibited by law, we and our affiliates and licensors disclaim all warranties, including any implied warranties of merchantability, satisfactory quality, fitness for a particular purpose, non-infringement, or quiet enjoyment, and any warranties arising out of any course of dealing or usage of trade.

The Tokens have not been and will not be registered under the United States Securities Act of 1933, as amended (the “Securities Act”), and may not be offered or sold in the United States or to or for the benefit of US persons (as defined in Regulation S under the Securities Act) unless they are so registered, or an exemption from the registration requirements of the Securities Act is available. One such exemption allows the resale of Tokens purchased for their own account and for investment purposes only by investors who (i) are not otherwise affiliated with the Davinzia Business Corp., (ii) have been exposed for some time to the economic risks that ownership of Tokens entails, and (iii) are not part of the distribution of the Tokens.

12. Liability

12.1 Davinzia Business Corp. and its affiliates and their respective officers, employees or agents will not be liable to you or anyone else for any damages of any kind, including, but not limited to, direct, consequential, incidental, special or indirect damages (including but not limited to lost profits, trading losses or damages that result from use or loss of use of this website and its products), even if Davinzia Business Corp. has been advised of the possibility of such damages or losses, including, without limitation, from the use or attempted use of this website and/or its products or another linked website.

12.2 Further, neither we nor any of our affiliates or licensors will be responsible for any compensation, reimbursement, or damages arising in connection with: (a) your inability to use the BnrCoin tokens, including without limitation as a result of any termination or suspension of the Waves network or this agreement, including as a result of power outages, maintenance, defects, system failures or other interruptions; (b) the cost of procurement of substitute goods or services; (c) any investments, expenditures, or commitments by you in connection with this agreement or your use of or access to the BnrCoin tokens; or (d) any unauthorized access to, alteration of, or the deletion, destruction, damage, loss or failure to store any data, including records, private key or other credentials, associated with any BnrCoin token.

12.3 You will defend, indemnify, and hold harmless us, our affiliates and licensors, and each of their respective employees, officers, directors, and representatives from and against any claims, damages, losses, liabilities, costs, and expenses (including reasonable attorney fees) arising out of or relating to any third-party claim concerning this Agreement or your use of BnrCoin tokens contrary to these terms. If we or our affiliates are obligated to respond to a third-party subpoena or other compulsory legal order or process described above, you will also reimburse us for reasonable attorney fees, as well as our employees' and contractors' time and materials spent responding to the third-party subpoena or other compulsory legal order or process at reasonable hourly rates.

12.4 The information, software, products, and services included in or available through the website may include inaccuracies or typographical errors. Changes are periodically added to the information herein. Ico.baner.su and/or its suppliers may make improvements and/or changes in the website at any time. Ico.baner.su makes no representations about the suitability, reliability, availability, timeliness, and accuracy of the BnrCoin tokens, the website, information, software, products, services and related graphics contained on the website for any purpose. To the maximum extent permitted by applicable law, BnrCoin tokens, the website, all such information, software, products, services and related graphics are provided "as is" without warranty or condition of any kind. Ico.baner.su hereby disclaims all warranties and conditions with regard to the BnrCoin tokens, the website, information, software, products, services and related graphics, including all implied warranties or conditions of merchantability, fitness for a particular purpose, title and non-infringement.

The Tokens have not been and will not be registered under the United States Securities Act of 1933, as amended (the "Securities Act"), and may not be offered or sold in the United States or to or for the benefit of US persons (as defined in Regulation S under the Securities Act) unless they are so registered, or an exemption from the registration requirements of the Securities Act is available. One such exemption allows the resale of Tokens purchased for their own account and for investment purposes only by investors who (i) are not otherwise affiliated with the Davinzia Business Corp., (ii) have been exposed for some time to the economic risks that ownership of Tokens entails, and (iii) are not part of the distribution of the Tokens.

13.4 We and you are independent contractors, and neither party, nor any of their respective affiliates, is an agent of the other for any purpose or has the authority to bind the other. Both parties reserve the right (a) to develop or have developed for it products, services, concepts, systems, or techniques that are similar to or compete with the products, services, concepts, systems, or techniques developed or contemplated by the other party and (b) to assist third party developers or systems integrators who may offer products or services which compete with the other party's' products or services.

13.5 This Agreement does not create any third-party beneficiary rights in any individual or entity.

13.6 You will not assign this Agreement, or delegate or sublicense any of your rights under this Agreement, without our prior written consent. Any assignment or transfer contrary to these terms will be void. Subject to the foregoing, this Agreement will be binding upon, and inure to the benefit of the parties and their respective successors and assigns.

13.7 The failure by us to enforce any provision of this Agreement will not constitute a present or future waiver of such provision nor limit our right to enforce such provision at a later time. All waivers by us must be unequivocal and in writing to be effective.

The Tokens have not been and will not be registered under the United States Securities Act of 1933, as amended (the "Securities Act"), and may not be offered or sold in the United States or to or for the benefit of US persons (as defined in Regulation S under the Securities Act) unless they are so registered, or an exemption from the registration requirements of the Securities Act is available. One such exemption allows the resale of Tokens purchased for their own account and for investment purposes only by investors who (i) are not otherwise affiliated with the Davinzia Business Corp., (ii) have been exposed for some time to the economic risks that ownership of Tokens entails, and (iii) are not part of the distribution of the Tokens.

13.8 Except as otherwise set forth herein, if any portion of this Agreement is held to be invalid or unenforceable, the remaining portions of this Agreement will remain in full force and effect. Any invalid or unenforceable portions will be interpreted to affect the intent of the original portion. If such construction is not possible, the invalid or unenforceable portion will be severed from this Agreement, but the rest of the Agreement will remain in full force and effect.

13.9 All disputes or claims arising out of or in connection with this contract including disputes relating to its validity, breach, termination or nullity shall be finally settled under the Rules of Arbitration of the Republic of Seychelles.

13.10 This Agreement is the entire agreement between you and us regarding the subject matter of this Agreement. This Agreement supersedes all prior or contemporaneous representations, understandings, agreements, or communications between you and us, whether written or verbal, regarding the subject matter of this Agreement. We will not be bound by, and specifically object to, any term, condition or other provision which is different from or in addition to the provisions of this Agreement (whether or not it would materially alter this Agreement) and which is submitted by you in any order, receipt, acceptance, confirmation, correspondence or other document.
